Mayor Rossi recognized Christine Schaumburg, Mayor of the Town of Clinton, present this evening to discuss traffic/construction at Route 78, Interchange 15W; she requested Union Township’s support in the temporary closing of Exit 15 during the 8-10 week construction period as it is a life/safety hazard primarily due to the stacking of vehicles onto Route 78 west bound; she explained the safety measures currently being implemented; any closure would be re-evaluated after the 8 week period; detours would be in place.

Mr. Mazza clarified that the closure would apply to emergency response vehicles as well.

Mr. Rossi commented it will be an inconvenience for everyone; however, it does make sense for safety reasons; he supported the closure.

Mr. Haynes expressed concern with vehicles exiting at Exit 13, use of Rupell Rd. and Union Gap.

Ms. Schaumburg shared Mr. Haynes’s concern; however, all concerned feel this is the safest alternative.

Mr. Mulhall requested Ms. Schaumburg have the Town of Clinton Police patrol the Rupell Rd. area. Ms. Schaumburg responded they would step up patrols.

Mrs. Dziubek asked would the NJSP have an issue with the closing? Ms. Schaumburg indicated they were in favor of it. NJDOT wanted to know all effected municipalities (Clinton, Clinton Township, Franklin and Union) are in favor of the closure; the Intersection has failed completely.

The following resolution was introduced for adoption:

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Union that the Union Township Committee supports the immediate-temporary closure of Exit 15 west bound on State Highway 78 for approximately eight (8) weeks or until otherwise made known by the New Jersey Department of Transportation in consultation with local authorities for the protection of health safety and welfare.

Motion was made by Mr. Mulhall, seconded by Mrs. Dziubek, to adopt the above resolution. Mr. Haynes suggested more specific terms. It was agreed Ms. Schaumburg would notify the Township Committee should the closing of the Intersection be longer than 8 weeks. Vote – Ayes: Mrs. Dziubek, Mr. Mazza, Mr. Haynes, Mr. Mulhall and Mr. Rossi. Motion carried.

Union Township Board of Education – Present: Michael Sroka, President; Pat Lee and Matt Severino.

Mr. Rossi mentioned the local budget was voted down; financial information has been submitted; a meeting will be held to consider options. The existing school budget would cause the tax rate to go from 1.14¢ to 1.25¢.

Mr. Mulhall mentioned he reviewed the budget and was of the opinion it is a tight budget overall.

Mr. Rossi asked did any Committee member have a conflict with attending a meeting with the Board of Education? No one did.

Mr. Mazza agreed with Mr. Mulhall and explained.

Mr. Bogart suggested a few insubstantive revisions to the ordinance.

Mr. Mulhall was of the opinion the 3,500 sq. f. is “tight”; he was in favor of 5,000 sq. f. Mr. Bogart agreed; certain pools would need a grading plan; it can be an issue on a small lot.

Mr. Haynes was of the opinion grading plans are necessary due to the terrain of the Township; 3,500 sq. f. is the correct number as recommended by the Planning Board.

Motion was made by Mr. Mulhall, seconded by Mr. Mazza, to table this ordinance with a recommendation it go back to the Planning Board with the suggestion the soil disturbance area be increased from 3,500 sq. f. to 5,000 sq. f. Mrs. Dziubek was of the opinion this needs to be re-visited before the money is spent. Mr. Mazza was in favor of certified wood chips. Mr. Haynes was in favor of the rubber nuggets based on the recommendation of the insurance agent; cost in the long run is the same as wood chips. Mr. Mulhall asked is there a guarantee there is no steel (from steel belted radial tires) and that the nuggets would not cause clothing stains? Mr. Haynes responded the nuggets are certified.

Mr. Mazza explained his “no” vote – he could not support the purchase of the nuggets because of the funds necessary for repairs at the rental apartment on Hoffman Park. Mr. Mulhall explained the children’s safety is a priority for him. Mrs. Dziubek mentioned this is not an insurance mandate; the apartment repairs are necessary.

4. The following resolution was introduced for adoption:

RESOLUTION #2006-66

OPPOSING CHARGES FOR NEW JERSEY STATE POLICE COVERAGE TO RURAL MUNICIPALITIES

WHEREAS, the New Jersey State Police were founded in 1921, with a stated purpose among others, of providing police protection for the rural inhabitants of the State of New Jersey, not otherwise serviced by full-time municipal police departments; and

WHEREAS, since 1921, the State Police have fulfilled this responsibility to our rural citizens with duty, honor and fidelity, and New Jersey’s rural municipalities have always appreciated this vital service; and

WHEREAS, despite population growth in New Jersey, many rural municipalities are still too small or sparsely populated to afford full time police protection; and

WHEREAS, Union Township in Hunterdon County is a rural Township of approximately 20 square miles, having a population of 4,721 persons as of 2005, exclusive of the residents of the Edna Mahon Correctional Facility and the Hunterdon Developmental Center; and

WHEREAS, in excess of one-third (1/3) of the total area of Union Township is taken up by New Jersey State facilities, including the Spruce Run Reservoir and adjoining lands, the Edna Mahon Correctional Facility, the Hunterdon Developmental Center, and other State properties; and

WHEREAS, the Edna Mahon Correctional Facility and the Hunterdon Developmental Center pay nothing in real property taxes to the Township, while encompassing more than 328 acres of prime highway frontage that would otherwise generate over \$500,000 in property tax revenues; and

WHEREAS, the State of New Jersey pays an annual “in lieu of” tax payment of \$4,493.94 to Union Township for the Spruce Run Reservoir, based upon 1950’s assessments, which is woefully inadequate to compensate the Township for 21st century real estate values; and

WHEREAS, Union Township is bisected by Interstate Route 78, a major interstate thoroughfare patrolled by the State Police; and

WHEREAS, the Township of Union maintains and pays for the Union Township Municipal Court, the primary role of which has been to process traffic summons issued by the State Police on Route 78 and other state, county and municipal roads in Union Township, all of which fines are remitted by our Municipal Court to the State of New Jersey; and

WHEREAS, according to the Union Township auditor, the Union Township Municipal Court has incurred a cumulative operating deficit of \$76,265 in the last 3 years, due primarily to increasing mandates and requirements from the New Jersey Administrative Office of the Courts, while remitting to the State of New Jersey net payments totaling \$1,220,276 during the same 3 years from fines, penalties and surcharges; and

WHEREAS, the Township of Union through its affiliated fire companies and rescue squads is subsidizing emergency services to interstate and intrastate transportation through constant responses to motor vehicle accidents and other emergencies on Interstate Route 78 and other state highways in Union Township; and

WHEREAS, due to the inclusion of a majority of Union Township in the Highlands Preservation Area, and the active programs of open space acquisition and farmland preservation being undertaken in Union Township by the Union Township Committee, the New Jersey Green Acres Program, New Jersey Division of Fish, Game and Wildlife, NJDEP and the New Jersey Water Supply Authority, it is likely that Union Township will remain a less developed community for the foreseeable future; and

WHEREAS, certain State politicians have recently suggested that rural municipalities should be charged by the State for State Police coverage, in order to reduce the State Budget deficit, and in the name of “fairness,” while totally ignoring the burdens imposed on our rural municipalities by state roads and other facilities, and the transients and non-residents who utilize these facilities and the income realized by the State from such facilities;

NOW, THEREFORE, BE IT RESOLVED by the Township Committee of the Township of Union, in the County of Hunterdon, State of New Jersey, that this governing body opposes any effort or proposal to charge rural municipalities in the State of New Jersey for State Police protection, in contravention of the promise that was made to New Jersey’s rural citizens in 1921 and reaffirmed over many years; and

BE IT FURTHER RESOLVED, under the particular circumstances pertaining to the Township of Union, it would be especially inappropriate to surcharge Union Township for State Police protection, in that Union Township is already subsidizing State facilities and law enforcement activities in numerous other ways; and

BE IT FURTHER RESOLVED that true copies of this resolution shall be forwarded to Governor Jon S. Corzine, Senator Leonard Lance, Assemblywoman Marcia Karrow, Assemblyman Michael Doherty, the New Jersey State League of Municipalities, Colonel Joseph R. Fuentes, Superintendent, New Jersey State Police, Lieutenant Lawrence Ferretti, Station Commander, Perryville, and to other concerned legislators, public officials and governing bodies in New Jersey.
